

Edinburgh and South East Scotland LMI Toolkit Resource Map

This map provides a summary of the resources used in the Edinburgh and South East Scotland LMI Toolkit slide decks. The map is interactive and links to the most up to date LMI Insights provided by Skills Development Scotland and partners. Please use this resource to find the most relevant and timely data which is not included within the LMI slides decks.

Labour Market Insights

[RSA Data Matrix](#) - a visually engaging tool offering skills data on regions and local authorities in an interactive format.

[Regional Skills Assessments \(RSAs\)](#) – aim to provide a coherent evidence base built from existing data and forecasts to inform future skills investment.

[COVID-19 LMI Insights](#) – provides data on the impact of COVID-19 on Scotland's economy, businesses and people.

LMI Resources

- The resources linked in this map provide the most **up to date labour market information** on sectors and regions across Scotland.
- You can use these resources in combination with the **LMI slide decks** to aid your understanding of LMI concepts and data.

Employability and Career Support

- There is also a range of employability support on the SDS My World of Work website as well as [PACE](#) (Partnership Action for Continuing Employment) redundancy support.
- [Explore Careers](#) - SDS My World of Work website also has a resource to explore job profiles and their associated salary.

Sector Spotlights

[Sectoral Skills Assessments \(SSAs\)](#) – infographics that provide a high level evidence base to inform future investment in skills built from existing data sets. The SSAs cover, employment, vacancies, future job openings and Skills Shortages and Gaps.

[Sector Spotlight Sessions](#) – interviews with key sector managers and industry partners are recorded and uploaded to YouTube to provide engaging insight into the most recent initiatives and changes in key sectors in Scotland.

Skills Supply, Demand and Mismatch

Overall Guidance Slide decks – the three slide decks included within the ESES LMI toolkit on the SDS corporate webpage provides insight on skills supply, demand and mismatches in context.

Tailored Slide decks – slide deck 1 of Telling the LMI Story - LMI to CMI explains the interplay between skills supply, demand mismatches in more detail.

Further Help

[My World of Work \(MyWOW\) Job Hub](#) – the job hub was established in response to the coronavirus pandemic, to help you find jobs and available opportunities.

[Capital City Partnership](#) – has links to information about the ESES City Region Deal, as well as a link to the COVID-19 Jobs Support Site to help you identify live job vacancies.

[Digital World](#) – explore careers in cyber security, software development, data and artificial intelligence near you.
